

SCOTT R. CRAIG

7847 Crestleigh Court • Antelope, California 95843

Home: (916) 726-7205 • Mobile (916) 505-7335 • Email:srcphoto@gmail.com

As an experienced photographer who uses video, stills and the Internet to tell a story, I seek a position in a multimedia environment that will allow me to connect with the public and educate and enrich their lives.

SUMMARY of SKILLS

Video & Computer experience includes:

- 13 years at The Sacramento Bee as a Videographer and A Electronic Lab Tech.
- Create videos, galleries, and audio slideshows for www.sacbee.com
- Generated considerable online traffic by creating the “In the Kitchen” and “Home & Garden” video series for the Sacramento Bee.
- Viral market videos using Tubemogul, Twitter, and iTunes to distribute content to 19 different video hosting sites.
- Experience using a wide range of HD and SD video cameras, portable lightning, and microphones.
- Proficient in Non-Linear editors like Final Cut Pro, Motion, Soundtrack Pro and Flash to produce videos.
- 6 Years experience creating and maintaining websites including www.sacbee.com
- 22 years of computer experience using Mac and PCs

Photo experience includes:

- Designed and printed Renée Byer’s 2007 Pulitzer Prize winning portfolio, “A Mother’s Journey,” for Feature Photography for the Sacramento Bee.
- 25 years experience with photography: 35mm, medium format, digital.
- Freelance Photographer for Skip’s Music, Six Flags Discovery Kingdom, California’s Great America, San Francisco Zoo, Roseville & Woodland Scottish Games and the American Coaster Enthusiasts
- 15 years of Photoshop experience using PS 2.0 - CS3.

A collection of my videos can be seen at www.srcphotography.com/resume.html .
My entire Sacramento Bee video collection can be reached from that page as well
